Mortgage Foreclosure and Sale.

First publication July 7, 1888.
Whereas default has been made in the payment of the money secured by a mortgage, dated December twenty-third, in the year 1885, made and executed by Clara Gustafson and August E. Gustafson, of the town of Crystal Falls, Iron County, Michigan, to John F. Blackburn and Richard B. Blackburn, of Chicago, Illinois, which said mortgage was recorded in the office of the register of deeds of the county of Iron, Michigan, in book two of mortgages, on pages 108 and 109, on the thirty-first day of December, 1885, at four o'clock p. m. And whereas, the amount claimed to be due on said mortgage at the date of this notice is the sum of five hundred, thirteen dollars and sixty cents, and a further sum of fifty dollars as an attorney's fee as stipulated in said mortgage, and no suit or proceeding at law having been instituted to recover the debt secured by said mortgage, or any part thereof, whereby the power of sale becomes operative. Now, therefore, notice is hereby given that by virtue of said power of sale, and in pursuance of the statute in such case made and provided, the said mortgage will be foreclosed by a sale of premises therein described, at public vendue, to the highest bidder, at the front door of Bonser's opera house, in the village of Crystal Falls, in said county of Iron, (that being the place of holding the Circuit court of said county), on the first day of October next, at two o'clock in the afternoon of that day; said premises are described in said mortgage as follows: All that certain piece or parcel of land situate in the township of Crystal Falls, in the county of Iron and state of Michigan, and described as follows, to wit: Lot forty-two (42) of the recorded plat of the village of Crystal Falls. Dated, July seventh, 1888. BLACKBURN BROTHERS, Mortgages. WM. H. CLARK, Attorney for mortgages. 25-12t

Chancery Sale.

First publication July 7, 1888.
In pursuance and by virtue of an order and decree of the Circuit court for the county of Iron, in chancery, in the state of Michigan, made and dated on the first day of February, A. D. 1888, in a certain case pending, wherein Morris Charles H. Schwab, Max A. Meyer and John W. Bunn are complainants and George Runkle, Eliza Runkle and S. J. Morse are defendants. Notice is hereby given that I shall sell at public auction, to the highest bidder, at the front door of the court house, in the village of Crystal Falls, county of Iron and state of Michigan, said court house being the place for holding the Circuit court for said county, on Tuesday, the 21st day of August, A. D. 1888, all (or so much thereof as may be necessary) to raise the amount due to the said complainants for principal, interest and costs in the cause of the following described parcels of land, to-wit: Lots numbered twenty-five (25) and twenty-six (26), with the buildings and improvements thereon, in the village of Crystal Falls, county of Iron and state of Michigan, according to the recorded plat thereof. Dated, Crystal Falls, Michigan, June 30, 1888. HILL & TOWNE, J. S. McLEAN, Solicitors for complainants. 25-7 Sheriff.

A WOMAN'S DISCOVERY.

"Another wonderful discovery has been made and that too by a lady in this country. Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed eminent. For three months she coiled incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking first dose that she slept all night and with one bottle has been miraculously cured. Her name is Mrs. Luther Lutz." Thus wrote W. C. Hamrick & Co., of Shelby, N. C. Get a free trial bottle at J. E. Bower's.

THE VERDICT UNANIMOUS.

W. D. Sule, druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles, and was cured of rheumatism of ten years standing." Abraham Hare, druggist, Bellville, Ohio, affirms: "The best selling medicine I have ever handled in my twenty years' experience, is Electric Bitters." Thousands of other have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the liver, kidneys or blood. Only a half dollar a bottle at J. E. Bower's.

HEALTH NOTICE.

ANNUAL SCHOOL MEETING.

Held at the School House on Monday, July 9, 1888, at 5 O'clock p. m. The Three Notices Required by Law having been Duly Posted and a Copy Inserted in "The Diamond Drill"—Interesting Reading.

Meeting called to order by moderator, J. H. Parks, quite a number of persons being present.

The following report of assessor, A. Lustfield, was then read and unanimously adopted:

Balance on hand July 1, 1887. \$2,592.27
Receipts—One mill tax. 1,169.76
Primary school int. fund. 194.70
General school tax. 770.22

Total. \$4,726.95

EXPENDITURES.
Orders paid to date. \$3,588.20
Balance on hand. 1,138.75

Total. \$4,726.95

A. LUSTFIELD, assessor.

The director then read the following report: For the school year of 1887 and 1888 there has been accounts audited and orders drawn for them as follows:

For teachers salaries. \$2,072.50
For janitor. 200.00
For wood, outhouse, sidewalk, steps, repairs and painting. 410.88
For seats and placing. 195.29
For incidental expenses. 234.53
For interest on bonds. 480.00

Total. \$3,593.20

On investigating the assessor's books we find that all the above orders and vouchers have been paid with the exception of one of \$5.00, so that the district has no outstanding orders and there are no claims against the district that I know of.

The school property is insured in as good companies as can be obtained, for the sum of \$6,000 and the policy does not expire for a little over a year yet. The bonds of \$8,000 which came due last March and which you instructed the trustees to "pay such an amount as they deemed advisable and extend the balance for a term of five years," are still in existence. Your board of trustees, seeing no way to pay any amount of them out of the sum raised for the general school purposes without embarrassing the running of the school, and having no other means at hand, have placed the entire amount until November next, with the understanding that the question of raising money to pay them by issuing new bonds of the district, for five years, be brought before the general election at that time in order to get as large an affirmative vote as possible, after that has been accomplished the parties who now have them will pay them and take our new bonds for five years at seven per cent. with the proviso that the district levy and raise each year, during the term of the bonds, in addition to their general school tax, a sinking fund equal to one-fifth of the whole amount of the bonds, or \$1,600, thus being in shape to pay and take them up when they come due. A resolution to that effect has been brought before your special meeting and carried by a majority of all the qualified electors of the district and it looks now as if the bonds were taken care of for another five years and provision made for them then.

There are some much needed repairs to be provided for before the beginning of the next school year. The blackboards in some of the rooms must be replaced. The building needs painting, the water pipes are out of order and our present manner of heating the school rooms is not conducive to good health or economy. Those pupils sitting near the stove are very much too warm, while those near the outside of the rooms are too cold and many complaints of headache and dullness are heard from the pupils directly under the stove pipes. A steam heating apparatus is probably the most suitably adapted to the situation and can be put in for from four to six hundred dollars and I would recommend that this change be made. In making the estimates for the coming year I have kept this in view, hoping to get sanction of the district to our obtaining quotations and bids for a steam heater and being prepared to have the change made during the summer vacation of 1889. The estimated expenses for the coming year are:

For teachers. \$2,100
For janitor. 200
For maps, etc. 100
For library room. 100
For repairs and painting and steam heater. 1,200
For interest on bonds. 500
For fuel. 300
For other expenses. 250

Total. \$4,710

ESTIMATED RECEIPTS.

Primary school fund. \$ 266.25
One mill tax. 1,010.00
Cash on hand. 1,138.75

Total. \$2,415.00
Leaving to be raised. \$2,300.00

By raising for general purposes the sum of \$3,000, that amount with what we have on hand and what we are likely to receive, will enable the running of the school until next July, put in a very complete heating arrangement and make the necessary repairs to the building.

Moved and seconded, that the director's report be accepted.—Carried.

Moved by S. D. Hollister and seconded by Dr. Kimball, that the board of trustees be authorized to purchase and put into the school building the best and most suitable steam heater to be had, this summer if possible, if not, during next year.—Carried.

D. C. Lockwood moved the adoption of the following resolution:

Resolved: That, there be levied on the taxable property of Graded School District No. 1, of Crystal Falls township, the sum of (\$3,000) three thousand dollars for general school purposes for the year 1888.—Adopted.

The following resolution, proposed by S. D. Hollister, was also adopted:

Resolved: That, there be levied on the taxable property of Graded School District No. 1, township of Crystal Falls, for the year 1888, the sum of (\$1,600) sixteen hundred dollars, as a sinking fund to apply on the bonds of said district when they shall become due.

A vote was then taken for trustee for three years in place of J. L. Kimball, time expired. J. L. Kimball was unanimously elected trustee for three years.

A vote was then taken for trustee in place of W. H. Morrison, time expired. W. H. Morrison was unanimously elected trustee for three years.

Moved by D. C. Lockwood and seconded by A. Lustfield, that the board of trustees be authorized to establish a school district library.—Carried.

On motion the meeting adjourned sine die. J. L. KIMBALL, director.

DIAMOND CHIPS.

Straw hats almost given away at Max's. Many pickers are being caught at the falls.

The fire engines were given an airing on Thursday.

Grand clearing sale of summer goods at Max Berlowitz.

Parasols must be closed out regardless of cost at Max Berlowitz.

A free open air dance will be held at Mastodon to-night. Many will attend from here.

For blue flannel sailor suits in all sizes at extraordinary low prices, go to Max, the clothier's.

The sidewalk in front of Parks' establishment has been replaced with a new one. It needed it.

Mrs. Rickard enlivened the editor's desk this week with a bouquet of roses and other pretty flowers.

All that remained to show that we had a Fourth of July celebration here—the balsam trees—were removed on Monday.

Only a few more pairs of those \$2.35 ladies G. D. kid shoes left. If you want a bargain call at once at Max, the clothier's.

A window in the town hall was broken by the foot ball on Monday evening. This is the first one so far. More to follow.

The Ladies' Aid Society social, which was held in the town hall on Wednesday evening, was a brilliant success in every way.

John Guerskey, one of the gang of men employed on the roads, had one of his feet badly cut with an axe, on Wednesday afternoon.

The Iron River Reporter's Crystal Falls correspondent's "C. H. O." is mystifying many people here. It is too deep—beyond their grasp.

Notice of a caucus for selecting delegates to attend the county convention will be found in the editorial department of to-day's paper.

D. W. Brown and Dick Waters fished at Fortune lake on Tuesday. The catch was twenty pickers and the editor was duly remembered. Thanks.

One of Lockwood's livery horses took a run down street on Sunday morning. During the race a fellow grasped the thills endeavoring to put a stop to the horse's wild career, and was jerked nearly out of his boots and run over into the bargain, but was not injured to any extent.
